Today's Education is the foundation of tomorrow's nation. And the fate of our nation rests in hands of our students. Obviously the teacher who holds students' hands must be strong, wise, competent, responsible, versatile, caring and visionary. It is our moral duty to revere and support the teachers for better building of future nation.

The present scenario demands advancement, enrichment, greater care for our teachers. They must be enabled, refined, uplifted to cope with volatile situations of world. Their abilities need a transformation from just teaching in class to educate, build, develop students to create beautiful society and wonderful nation.

For this Motivate Mee takes this initiative named "**DRONA CLUB**". Drona Club is a project of Motivate Mee Trust dedicated to teachers of India with a sole purpose to heighten standard of education through evolvement of teachers' skills and enrichment of their lives.

VISION

A legend in every teacher in every class of nation.

MISSION

To help teachers better understand the values and ethics of teaching profession.

To redefine the responsibilities and legacy to be left behind.

To awaken versatility, integrity and charisma.

To induce them to adopt advancement and innovation.

TESTIMONIALS

It gives me immense pleasure to acknowledge the efforts of “ Motivate Mee” to inspire the modern youths who are in tension under present circumstances. They are doing excellent jobs for the society by motivation and soft skills development using latest developed techniques. Their credibility, versatility, positive thoughts and hard-working attitude has earned my respect.

The initiative named “**DRONA CLUB**” taken by Motivate Mee is truly praiseworthy. I endorse it because they have focused the attention of the public in general and teacher in particular. Teachers can contribute a lot in the development of nation by providing quality education and guiding the students properly to follow the right path.

I wish them all the best.
